2017	Graduate Fellowship and Teaching Assistantship (\$11,000)

2016, 2017
2016, 2017

Faculty of Science Dean's List
NSERC Undergraduate Student Research Award (\$6,650)

CLINICAL EXPERIENCE

September 2023 – Present	Ph.D. Practicum, Wascana Rehabilitation Centre Saskatchewan Health Authority, Regina, SK <u>Supervisor:</u> Audur Thorisdottir, Ph.D., R. Psych
January 2023 – May 2023	Program-Sanctioned Hours, Private Practice QueensBridge Psychology Services, Regina, SK <u>Supervisor:</u> Chelsea Delparte, Ph.D., R. Psych
May 2022 – December 2022	Ph.D. Practicum, Private Practice QueensBridge Psychology Services, Regina, SK <u>Supervisor:</u> Chelsea Delparte Ph.D., R. Psych
January 2021 – September 2022	Program-Sanctioned Hours, Children's Healthy Heart Camp University of Saskatchewan, Saskatoon, SK <u>Supervisor:</u> Hilary Power, M.A.; Kristi Wright, Ph.D., R. Psych
January 2021 – June 2022	Program Sanctioned Hours, Exercise Suicidal Ideation Trial Anxiety and Illness Behaviour Lab, University of Regina <u>Supervisors:</u> Kelsey Vig, M.A.; Gordon Asmundson, Ph.D., R. Psych
September 2021 – April 2022	Ph.D. Practicum, Acceptance and Commitment Therapy Psychology Training Clinic, University of Regina <u>Supervisors:</u> Bridget Klest, Ph.D., R. Psych
January 2021 – September 2022	Program-Sanctioned Hours, Child Cognitive Assessment Psychology Training Clinic, University of Regina <u>Supervisor:</u> Kristi Wright, Ph.D., R. Psych
September 2020 – December 2020	Master's Internship, Student Wellness and Counselling Centre Memorial University of Newfoundland and Labrador <u>Supervisor:</u> Lester Marshall, M.Ed., R. Psych

RESEARCH EXPERIENCE

November 2021 – Present	Research Assistant , Health Psychology Laboratory <i>University of Regina</i> Supervised by Dr. Thomas Hadjistavropoulos. Working with collaborators and interdisciplinary teams conducting research relevant to aging and pain. Involvement in all stages of research process (e.g., literature reviews, data collection, data analysis, publication of manuscripts).
-------------------------	---

- May 2021 – **Graduate Research Assistant**, Registrar’s Office
 December 2021 *University of Regina*
 Supervised by Mr. James Darcy (University of Regina Registrar). Co-led development of the University of Regina’s Equity, Diversity, and Inclusion (EDI) policy for students. Involved meeting with stakeholders (executive leadership committee, student advocacy groups, institutional staff) to seek input and feedback on policy drafts, incorporating varied perspectives.
- August 2018 – **Graduate Research Assistant**, Sleep, Health, and Wellness Lab
 April 2019 *Memorial University of Newfoundland*
 Supervised by Dr. Sheila Garland. Administered in-person and Telehealth assessments with women undergoing breast cancer treatment. Assessment measures included the Hopkins Verbal Learning Test-Revised, Letter Number Sequencing, and the Functional Assessment of Cancer Therapy-Cognition. Facilitated recruitment with oncologists at the Dr. H. Bliss Murphy Cancer Clinic to invite women newly diagnosed with breast cancer to take part in the study.
- April 2017 – **Summer Undergraduate Research Award (SURA) Student Researcher**
 August 2017 *Memorial University of Newfoundland*
 Supervised by Dr. Nick Harris. Experiences included extensive literature reviews; revising manuscripts; and data entry and data analysis.
- April 2016 – **NSERC Undergraduate Student Research Assistant**
 December 2016 *Memorial University of Newfoundland*
 Supervised by Drs. Christina Thorpe and Darlene Skinner. Experiences included independently performing neurosurgeries with rodent subjects; conducting a variety of psychological experiments with rodent subjects; managing rodent feeding and care; and drafting and editing manuscripts.

TEACHING EXPERIENCE

Teaching Assistant

1. **Psychological Interventions I (graduate)**
University of Regina, Winter 2022
2. **Personality Psychology (undergraduate)**
University of Regina, Fall 2021
3. **Human Information Processing (undergraduate)**
University of Regina, Winter 2021
4. **Introduction to Clinical Psychology (undergraduate)**
University of Regina, Fall 2020
5. **Research Methods in Psychology II (undergraduate)**
Memorial University of Newfoundland and Labrador, Winter 2019
6. **Selected Topics in Abnormal Behaviour (undergraduate)**
Memorial University of Newfoundland and Labrador, Fall 2018
7. **Introduction to Psychology I (undergraduate)**
Memorial University of Newfoundland and Labrador, Winter 2018
8. **Introduction to Psychology II (undergraduate)**
Memorial University of Newfoundland and Labrador, Fall 2017

9. Introduction to Forensic Psychology (undergraduate)

Memorial University of Newfoundland and Labrador, Fall 2017

Guest Lecture

1. Lifestyle, Health, and Wellness (undergraduate)

University of Regina, Fall 2021 (Psychological Health)

2. Lifestyle, Health, and Wellness (undergraduate)

University of Regina, Fall 2020 (Psychological Health)

3. Selected Topics in Abnormal Behaviour (undergraduate)

Memorial University of Newfoundland and Labrador, Fall 2018 (Factors influencing stigmatization of substance use)

SERVICE EXPERIENCE

*May 2022 -
Present*

Director of Operations, Anti-Racism Speaker Series Planning Committee, University of Regina

Responsibilities include leading weekly meetings and supporting all event planning activities (e.g., recruiting and meeting with potential speakers, securing funding, and reviewing promotional materials). Responsibilities also have included creating and maintaining signing authority on a bank account to manage speaker honorarium funds.

*Sept 2020 –
April 2024*

Graduate Student Mentor, University of Regina

Provide a supportive relationship with a first-year clinical psychology graduate student. Mentorship topics may include program-related questions/concerns (e.g., coursework, comprehensive exams, thesis proposal, clinical practicum placements), questions about adjusting to living in Regina (if relevant), and work-life balance. First-year mentees may be paired with both a senior and junior Ph.D. student, ideally both of whom would be outside of their lab, to ensure students have a broad network of support.

*Sept. 2023 –
Aug. 2024*

Past President, PGSA, University of Regina

Serving as Past President of the Psychology Graduate Students' Association. Responsibilities include providing support and guidance to the current President and attending PGSA meetings in the Fall and Winter semesters.

*Sept. 2022 –
Aug. 2023*

President, PGSA, University of Regina

Was elected President of the Psychology Graduate Students' Association. Responsibilities included facilitating PGSA meetings and gathering reports from executive officers, holding elections to fill vacant roles, creating the annual budget with the Treasurer and Vice President, and overseeing a "president's project." Responsibilities also included maintaining signing authority on the association's bank account.

*Sept. 2022 –
April 2023*

Mentor, Canadian Psychological Association Section for Students

Established a mentoring relationship with a student member of the CPA Section for Students who was pursuing graduate school in clinical/counselling psychology. Mentors were responsible for meeting with mentees approximately once per month and tracking mentorship topics. Mentorship meeting topics included social functioning, academic/program-related content, and incorporating EDI in our work as students.

*July 2021 –
June 2023*

Justice, Equity, Diversity, and Inclusion Executive, Canadian Psychological Association Section for Students

Was elected to serve a two-year term as the first JEDI Executive for the CPA Section for Students. Responsibilities included recruiting and managing a JEDI Committee of 5 undergraduate and graduate students in psychology, creating JEDI-relevant programming for the CPA Annual Convention, and preparing JEDI content to be shared to Student Section members.

April 2023

Associate Dean of Research and Graduate Studies Search Committee, University of Regina

Served as a graduate student representative on a search committee for the Faculty of Arts. Responsibilities included meeting with the search committee to develop interview questions, reviewing applications, and partaking in the candidate interview.

*Sept. 2021 –
Aug. 2022*

Vice President, Psychology Graduate Students' Association, University of Regina

Responsibilities included attending PGSA meetings, taking and distributing meeting minutes, and developing the annual budget with the Treasurer and President.

*Sept. 2021 –
May 2022*

Canada Research Chair (CRC) Search Committee: Student Representative, University of Regina

Served as a graduate student representative on the search committee for a CRC in Aging and Health. This included undergoing virtual anti-bias group training, reviewing and evaluating applications, participating in interviewing the applicants, and relaying feedback to the committee.

*July 2020 –
May 2022*

Event Coordinator, Anti-Racism Speaker Series Planning Committee, University of Regina

Responsibilities include applying for various funding sources, researching potential speakers, contacting potential speakers, and scheduling, running, and coordinating events.

*Sept 2019 –
April 2020;
Sept 2020 –
April 2021*

Undergraduate Student Mentor, The University of Regina Responsibilities include facilitating a relationship with an undergraduate student. This involves answering questions and providing resources pertaining to GREs, graduate

school, applying for funding, preparing for honours, creating curriculum vitae, and finding a supervisor.

*Sept. 2019 –
Aug. 2020*

First-Year Clinical Representative, Psychology Graduate Students' Association, University of Regina

Responsibilities in this role included representing and advocating for first-year Masters students in the clinical psychology program. This included attending and reporting any concerns during Psychology Graduate Student's Association meetings.

PROFESSIONAL DEVELOPMENT

October 2023

Intersectionality and Clinical Work: Virtual Anti-Racism Event

2-hour event hosted by Dr. Skyler Jackson, an Assistant Professor in the Yale School of Public Health, and Dr. Linda Iwenofu, an Assistant Professor in the Department of Applied Psychology and Human Development at the Ontario Institute for Studies in Education. Speakers focused on implementing intersectionality into clinical psychology practice and provided practical tips on how to integrate this in working with clients.

June 2023

Intersections of Race, Faith, and Queerness: Virtual Anti-Racism Event

2-hour event led by Samra Habib, a Queer Muslim writer, photographer, and activist. Samra is the bestselling author of the memoir "We Have Always Been Here." The talk focused on being a 2SLGBTQ+ ally year-round, connecting with faith as a Queer person, and their use of photography as an accessible language to talk about intersectionality.

January 2023

Racism and Fatphobia: Virtual Anti-Racism Event

2-hour event led by Sonalee Rashatwar, LCSW, M.Ed., an award-winning clinical social worker, sex therapist, adjunct lecturer, and grassroots organizer on the intersections of racism and fatphobia.

November 2022

Anti-Racism in the Wellness Industry: Virtual Anti-Racism Event

2-hour event led by Ms. Natalie Malone, a doctoral counselling student at the University of Kentucky and Dr. Karen Ragoonaden, the Associate Dean of Teacher Education within the Faculty of Education at UBC. Speakers focused on decolonizing wellness practices and the history of anti-racism within the wellness sphere.

June 2022

Clinician-Administered PTSD Scale for DSM-5 (CAPS-5) Clinician Training.

Completed online comprehensive training from the U.S. Department of Veterans Affairs on the administration and interpretation of the CAPS-5.

- May 2022* **Anti-Racist Pedagogy: Virtual Anti-Racism Event**
2-hour event organized by the Anti-Racism Speaker Series for the Department of Psychology at the University of Regina. The event was led by Dr. Michael Capello, a professor in the faculty of education who focuses on anti-oppressive pedagogies, and Dr. Andres De Los Reyes, a professor of psychology who focuses on diversity science issues.
- March 2022* **Anti-Racism 101: Virtual Anti-Racism Event**
2-hour event with a panel of speakers included Mr. Hasan Hai, who is a community education and advocate, Dr. Alex L. Pieterse who is an expert in anti-oppressive practices, and Dr. Lori Campbell who is an Indigenous leader at the University of Regina.
- November 2021* **Truth and Reconciliation in Everyday Practice: Virtual Anti-Racism Event**
2-hour event with Annie Batiste who is a Mi'kmaq woman and reconciliation consultant. She led a workshop designed for implementing reconciliation in everyday life.
- June – July 2021* **Relating Against the State: Decolonial and Anti-Imperialist Approaches to Gender/Sexuality In/justice.**
Summer session course facilitated by Adria Kurchina-Tyson and Dr. Sari van Anders via Queen's University. The course involved comprehensive weekly meetings and seminar discussions surrounding gender and sexuality and how these topics can be viewed through a decolonial lens. Attendees were primarily graduate students and clinicians from across the U.S. and Canada.
- July 2021* **Racism in the Covid-19 Pandemic: Virtual Anti-Racism Event**
2-hour event with Dr. Veronica McKinny, Weiguo Zhang, Dr. Farah Mawani, discussing how racism intersected with public discourse on the COVID-19 pandemic.
- May 2021* **Decolonizing Evidence Based Medicine: Virtual Anti-Racism Event**
2-hour talk by Jaris Swidrovich, activist, professor of pharmacy and nutrition, Ph.D. Candidate in Education, and Indigenous educator and mentor on decolonizing evidence-based medicine.
- Feb 2021* **Racism in the Community: Virtual Anti-Racism Event**
2-hour event with a panel including Juliet Bushi, Latoya Reid, Dr. Funke Oba. Speakers discussed how racism exists in the community and the ways in which we can take a stand as anti-racist allies.
- Oct 2020* **Racism and Mental Health: Virtual Anti-Racism Event**
2-hour event with a panel of speakers including Richla Davis, Tanya Turton, and Asante Haughton. Speakers discussed how to be an antiracist provider of mental health services and the ways in which racism impacts mental health.

<i>March 2020</i>	Interprofessional Education in Pain Management Engaged in a full-day experiential learning opportunity in collaborative and interdisciplinary pain management.
<i>January 2020</i>	Building Research Relationships with Indigenous Communities (BRRIC) Completed a half-day workshop developed by The Indigenous Peoples' Health Research Centre.
<i>November 2019</i>	Strategy for Patient-Oriented Research (SPOR) Training Completed a full-day skill development workshop in conducting patient-oriented research. Saskatchewan Centre for Patient-Oriented Research.
<i>October 2019</i>	Interprofessional Problem-Based Learning (IPBL) Took part in a two-session experiential learning opportunity on interprofessional competency and collaboration. Attendees were students at varying levels in their respective programs, all in health-related fields.
<i>Sept. 2019</i>	Assessing Suicide in Kids (ASK) Workshop Completed a full-day workshop in suicide First-Aid, developed specifically for assessing suicide risk among child populations.
<i>April 2018</i>	Aboriginal Cultural Diversity Training Completed a half-day workshop in cultural competency for working with members of Indigenous groups in Newfoundland and Labrador specifically. Offered through First Light (the former St. John's Native Friendship Centre).
<i>June 2017</i>	CPI Non-Violent Crisis Intervention Training Completed a full-day training in de-escalating crisis situations, implementing safety interventions and best practices, and understanding defensive behaviours. Offered through the Crisis Prevention Institute.
<i>January 2017</i>	Tri-Council Policy Statement: Ethical Conduct for Research Involving Humans Course on Research Ethics (TCPS 2: CORE) Completed online training regarding ethical conduct for research with human participants.
<i>June 2016</i>	Applied Suicide Intervention Skills Training (ASIST) ASIST is a two-day interactive workshop in suicide first aid. ASIST teaches participants to recognize when someone may have thoughts of suicide and work with them to create a plan that will support their immediate safety.
<i>April – June 2016</i>	Sexual Assault Crisis Intervention Training. Responsibilities include undergoing extensive training pertaining to basic counselling techniques, how to interact and counsel survivors of sexual assault and rape, relevant medical and legal information, and information on intimate partner violence, child sexual abuse, and adult survivors.
